REMARKS

The Examiner indicated in the communication dated April 10, 2007 ("notice of non-compliant") that applicant's amendment filed on January 5, 2007 is considered non-compliant.

Examiner indicated the reply was not fully responsive because applicant failed to address the objection to the specification based on improper usage of trademarks in the specification. Applicant has amended paragraph [0032] to overcome the objection to the specification.

In addition, the notice of non-compliant rejection indicated that applicant failed to address the rejection under 35 U.S.C. § 112 of the "executor" language in claims 13 and 23. Applicant has amended claims 13 and 23 to show proper antecedent basis for the "executor" term. Accordingly, applicant respectfully requests withdrawal of the rejection of claims 13 and 23 under 35 U.S.C. § 112.

Also, the notice of non-compliant rejects claim19 under 35 U.S.C. § 112 for "fail[ing] to set forth any steps necessary to clearly define such a method." Applicant has amended claim 19 to overcome the rejection. Accordingly, applicant respectfully requests withdrawal of the rejection of claim 19 under 35 U.S.C. § 112.

Finally, the notice of non-compliant rejects claims 19-23 under 35 U.S.C. § 101. Applicants have amended claim 19-23 to overcome the rejection. Accordingly, applicant respectfully requests withdrawal of the rejection of claims 19-23 under 35 U.S.C. § 101.

Applicant respectfully requests withdrawal of the non-compliance. Reconsideration of the present application is respectfully requested.

Date: June 11, 2007
